Wyomissing Church of the Brethren

Does your church or non-profit organization have a Non-Profit Food Safety Certification? Maybe your certification needs updating?

Wyomissing Church of the Brethren, (WCOTB) is holding a ***Non Profit Food Safety Course on Tuesday, May 21, 2024 at 5:30pm.***

What is a Non-Profit Food Safety Certification you ask? Well, the short version is:

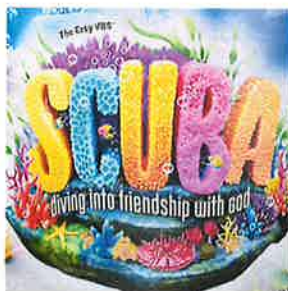

A Nonprofit Certification Course is a program for food safety and sanitation training for nonprofit (or church) food handlers. A number of years ago, Pennsylvania updated its laws to requiring churches that hold any kind of food sales, fundraisers, dinners, or bake sales, etc. (you know, everything churches are FAMOUS FOR!) to obtain a Non-Profit Food Safety Certification.

Pennsylvania offers this Non Profit Certification as a FREE 3-hour course through the PA. Agriculture Dept. to any church or non-profit organization. *This certification was designed by the PA. Agriculture Department for the churches and non-profit community.*

Registration is open to any church or non-profit needing to be certified, and is *not* limited to one person per organization.

To register, please contact WCOTB at 610-374-8451 or email wyocotb@gmail.com.
